ORDER NO. E. 1304-84—R. & P. S. 26-44-7, DATED BANGALORE,
THE 18TH SEPTEMBER 1945.

ANNEXURE.

RESOLUTIONS RECORDED AT A MEETING OF THE STANDING ADVISORY COMMITTEE FOR RECRUIT- MENT HELD ON 25TH MAY 1945.

1. Appointments carrying a minimum pay of Rs. 50 and above and appointments on a progressive scale, the minimum pay of which is less than Rs. 50 but the maximum is more than Rs. 70 be treated as Class I appointments, the minimum qualification prescribed for the same being a Degree of the Mysore University or of any other recognised University.

2. Appointments carrying a minimum pay of more than Rs. 25 but less than Rs. 50 and all graded appointments, the minimum pay of which is Rs. 25 and the maximum pay of which does not exceed Rs. 70 be treated as Class II appointments, the minimum qualification prescribed therefor being S.S.L.C.

3. Appointments carrying a fixed pay of Rs. 25 and below, and appointments on a progressive scale, the minimum pay of which is less than Rs. 25 and the maximum pay less than Rs. 50 be treated as Class III appointments, the minimum qualification prescribed therefor being a pass in the Middle School Examination.

NOTE.—The tutorial appointments in the Middle Schools will, for the present, be unaffected by these resolutions.

The classification of appointments which was in force from 1929 and onwards was revised in 1934. There were however no uniform scales of pay for the several classes of appointments throughout the State and practical experience showed that the prospects of officials in the several departments were not good enough to induce graduates, specially of the backward community, to take up Government service. To remedy this state of affairs, the Public Service Commissioner has now proposed the re-classification of appointments referred to above, with suitable alterations in the minimum qualifications prescribed therefor. The Heads of Departments who were consulted as to whether a re-classification of appointments, as proposed by the Public Service Commissioner, could be given effect to, considering the nature of work done in their respective offices, were generally in favour of adopting the proposals though with slight modifications. The proposal of the Public Service Commissioner, together with the views of the Heads of Departments, was placed before the Standing Advisory Committee for Recruitment, which resolved at their meeting held on 25th May 1945 that the existing classification of appointments and qualifications fixed for the several classes of appointments may be revised as indicated in the Annexure.

On a careful consideration of the proposal, Government observe that the revised classification of appointments and the modifications in the minimum qualifications for the several classes of appointments as resolved by the Committee are suitable and are therefore pleased to sanction the same. The revised classification will come into force from 1st October 1945.
